Description	Rapicap is prepared by natural anti-inflammatory herbs. The ingredients used in it are being indicated for arthritis pain and other pain. These include <i>Aloe barbadensis</i> , <i>Terminalia chebula</i> , <i>Colchicum luteum</i> and <i>Cholanum niagram</i> . It is a natural anti-rheumatic medicine with anti-inflammatory properties. Due to its anti-inflammatory properties, it plays a special role in the treatment of rheumatic and inflammatory diseases. The body flushes out the distorted and unnecessary juices through excretion so that the inflamed joints return to normal and the arthritic pain is relieved.
